IMPORTANT STRIKE OF HIGHGRADE  
SILVER A BELLEHELEN MINE

An important strike was made at the property of the Silverfields Ajax Mines company at Bellehelen during the past week. On Sunday William Forman, who visited the property, returned to Tonopah bringing with him some of the richest specimens of high grade silver ore that has been seen in Tonopah in a long time. Some of the specimens will run as high as \$2000 a ton in gold and silver. Samples of the ore can be seen at the brokerage office of Charles S. Sprague company, Tonopah. On the 70-foot level a body of ore was encountered, and grab samples taken from the sacked ore at this point went \$208 in gold and silver, \$33 of the values being in gold and the remainder in silver. The property owned by this company was formerly owned by J. P. Schultz and Harry Powell, who located the property, and did some development work during the past year. Last August these parties made a shipment to Selby smelter of one and three fourths tons, taken 30 feet below the surface, which netted them \$696 after deduction of freight and treatment charges. This ore, together with ten tons of second grade ore, was taken out in running a drift

WOUNDED SOLDIER  
COMES BACK HOME

Charles Wilson, the first Nye county soldier to return home wearing wound stripes, arrived today from the west coast where he had been demobilized with others and told that he would have to go to the army hospital until completely cured. Wilson demurred and told the examining surgeons that all he wanted was to get back home as soon as the regulations would permit. In that way he was given an honorable discharge and transportation. He is suffering from injuries sustained under shell fire while building a bridge across the Meuse. He was a member of company A, 305th engineers. The casualty was received October 24th, resulting in a broken hip and leg. He also suffered from gassing and is still quite hoarse. He was discharged February 15th at San Francisco and will go back to Round Mountain where he spent several years leasing and in working on the Pablo Canyon ranch. He was one of the bunch that went out with the Hun Killers.
